IEEE PES Kerala Chapter

A IEEE Power & Energy Society (PES) is the leading provider of the latest technological developments in the power and energy industry, the formation of key industry standards, and the continuing education of society members, industry, and the general public. IEEE PES Kerala Chapter was founded in the year 1999, with a membership of 12. The IEEE Power & Energy Society is a worldwide, non-profit association of more than 37,000 industry professionals, academics and students with a common interest in the electric power energy industry. PES has vibrant communities at the local chapter level, and at the international level through our conferences, publications and technical commitments to promoting excellence in power engineering, this chapter fosters an environment of collaboration, knowledge sharing, and skill development among its members. Through a diverse range of activities, including conferences, seminars, technical workshops, and networking events, the IEEE PES Kerala Chapter provides a platform for individuals and organizations to stay at the forefront of the ever-evolving power and energy landscape.

T Our mission is to be the leading provider of scientific and engineering information on electric power and energy for the betterment of society, and the preferred professional development source for our members.

IEEE SB RIT

One of the most vibrant and largest student branches in the Kerala section, IEEE RIT SB had made a mark for itself over the years. The IEEE student branch of Rajiv Gandhi Institute of Technology Kottayam was formed in January 2006 and officially inaugurated on 12th December 2006. Today, it is one of the oldest and most active student branches in the Kerala Section, with around 150 members joining each year. The enthusiastic indulgence of the student branch has led to the commencement and organization of a series of events, providing a plethora of opportunities for various participants in and out of the campus. We have a team of highly dedicated and energetic volunteers who have organized high-quality and technically relevant activities for the benefit of its student members. At IEEE SB RIT, we offered an immersive experience in a world of technical excellence and knowledge gain.

Through networking and volunteering experiences, members gain valuable skills and connect with like-minded individuals who share their passion for innovation and discovery.

ABOUT AKSC

All Kerala Power & Energy Society Student Congress | 2023

All Kerala Power & Energy Society Student Congress (AKPESSC'23) is the signature event of the IEEE PES Kerala Chapter organized in association with PES Student Branch Chapter RIT from 27th October 2023 - 29th October 2023. It intends to bring the Power and Energy Society volunteers from all Student Branches in Kerala together to foster technological innovation and to discover new ideas. It provides a platform for technical advancements and also helps to reminisce about the activities that tracked their journey as a volunteer and will also get them inspired to divergent thinking by meeting new people.
